The goods, services or construction has the following unique features, characteristics, or capabilities:

The goods, services or construction has the following unique features, characteristics, or capabilities:

AAMVA was developed with federal funds for the specific purpose of implementing the Commercial Motor Vehicle Safety Act of 1986. AAMVA will make it possible for the Hawaii CDLIS to communicate with the national CDLIS database and the National Driver Register. AAMVA provides the sole means for the State to communicate and implement the Commercial Motor Vehicle Safety Act of 1986.

Note: Vendor to be paid on a Purchase Order basis as previously noted by on S.S. #01-49-J.

How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:

AAMVA services provide the response times and interconnections with other States mandated by the CMVS Act of 1986.

The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:

No other source of services is available. That is why federal funding was used to develop the AAMVA system.

Chief Procurement Officer's Comments:

It is my understanding that the total cost cannot be accurately estimated because it is dependent upon the number of CDL applications submitted. Because of this and pursuant to section 3-122-102(b)(2), HAR, approval is granted to allow payments via purchase orders.

Please ensure adherence to applicable administrative and statutory requirements.

Expenditure may be processed through a purchase order:
executed and funds certified.
